MEMORANDUM FOR: Chairman, CIA Retirement Board, Office of Personnel

SUBJECT : Designation of Service at JMWAVE as Qualifying Service
Under Terms of Organization Retirement and Disability
System

25X1A REFERENCE : [REDACTED] 15 Dec . 65 (dispatch from JMWAVE), same subj

Reference dispatch recommends that JMWAVE be treated as an overseas station for purposes of participation in the CIA Retirement System for all personnel assigned. This probably should have come to us after our policy on the qualifying service had been formulated. It seems to me, however, that some of the arguments in favor of considering domestic service at JMWAVE as qualifying service would be pertinent to our policy discussions. It is suggested, therefore, that you obtain the concurrence of WH Division in reproducing this dispatch and circulating it to all members of the Board for early consideration.
